Enterprise T1 Services Include:

Internet access connection management

IP address allocation

DNS services

SMTP mail relay

Best in class Service Level Agreements:

Mean Time to Repair (MTTR) of 4 hours

Packet loss less than 0.5%

Backbone availability of at least 99.9%

*Three-year contract term is required. Enterprise T1 promotional pricing starts at \$289 and is limited to busines locations serviced by qualifying central offices in over 450 cities, therefore some business locations within these cities may not qualify for the \$289 rate. Please contact your ABS representative to confirm pricing. Monthly Recurring Charges (MRC) and Non-Recurring Charges (NRC) and speed may vary based on type of access, length of contract term, volume, availability and service location within each market. American Broadband Services retains the right to change pricing and promotions at any time.
